

# But You Know I Love You

Kenny Rogers

When the morning sun  
Streaks across my room  
And I've waken up  
>From another dream of you  
Yes I'm on the road  
Once again it seems  
All I've left behind  
Is a chain of broken dreamsREFRAINBut you know I love you  
Yes I love you  
Oh I love youHow I wish that love  
were all we'd need live  
What a life we'd have  
Cause I've got so much to give  
And it seems so wrong  
Deep inside my heart  
That the dollar sign  
Should be keeping us apartREFRAINAnd if I could only find my way back to the time  
When the problems of this life of mine didn't cross our minds  
All the answers were found in children's nursery rhymes  
I'd come running back to you  
I'd come running back to you  
And you know we can't  
Live on dreams alone  
Just to pay the rent  
I must leave you all alone  
But you know I made my choice  
Many years ago  
Now this traveling life  
Is the only one I knowREFRAIN (four times)REFRAIN (three times while fading)
