

# Everything Impossible

## MercyMe

I was taught to be practical in everything I do  
Holding on to what is tangible, and then came You  
That's when I found myself so far away, from everything I knew  
I took a leap of faith Even though You're difficult for me to explain  
I know I'll never be the same You're everything I cannot see  
You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay That's okay! All the things that make no sense to me, draw me to You  
Like finding freedom by surrendering, can it be true  
With everything I can and cannot know  
This mystery is bringing life to me And all this love I have for You I can't contain  
I know I'll never be the same You're everything I cannot see  
You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay That's okay What's so hard to understand  
What I cannot comprehend  
Is that You love me the way I am You're everything I cannot see  
You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay You're everything I cannot see  
You're everything I cannot say  
I know it all seems so illogical  
But that's okay  
You're the love You give to me  
You're the love I give away  
You are everything impossible  
And that's okay And that's okay
