Shot by Both Sides

Magazine

This and that, they must be the same
What is legal is just what's real
What I'm given to understand
Is exactly what I steal
I wormed my way into the heart of the crowd
I wormed my way into the heart of the crowd
I was shocked to find what was allowed
I didn't lose myself in the crowdShot by both sides
On the run to the outside of everything
Shot by both sides
They must have come to a secret understandingNew offenses always in my nerves
They're taking my time by force
They all sound the same when they scream
As a matter of courseI wormed my way into the heart of the crowd
I wormed my way into the heart of the crowd
I was shocked to find what was allowed
I didn't lose myself in the crowdShot by both sides
On the run to the outside of everything
Shot by both sides
They must have come to a secret understandingWhy are you so edgy Kid?
Asks the man with the voice
One thing follows another
You live and learn, you have no choiceI wormed my way into the heart of the crowd
I wormed my way into the heart of the crowd
I was shocked to find what was allowed
I didn't lose myself in the crowdI didn't lose myself to the crowd
I didn't lose myself to the crowd
I was shocked to find what was allowed
I didn't lose myself in the crowd
But I wormed my way
But I wormed my way
But I wormed my way
But I wormed my way
But I wormed my way
But I wormed my way
But I wormed my way
But I wormed my wayShot by both sides
I don't ask who's doing the shooting
Shot by both sides

We must have come to a secret understanding
