

# Always

## Nektar

Making the move  
No time to prophesize  
The secret is out, oh it's not right  
We're breathless and out of time  
The choice is ours  
To stay or go  
For always always  
In your eyes  
I could go or you could stay  
I will look  
it's up to you my friend  
To see where it all began  
the secret's out, the choice Is yours  
Was it you  
we're running out of time  
Who really helped  
The life of a frightened child  
Now I could go  
But could you stay  
Always .  
I could go  
But could you stay  
For always ... always  
Ever  
Why must this be forever?  
Tell me now  
Ever  
That sounds so long  
And so forever  
Never  
All that I hear is  
Never  
Tell me then  
If there's a heaven  
Why can't it be there inside you?  
Ever  
Why must this be, forever?  
Tell me now  
Ever

That sounds so long  
And so forever  
Never  
All that I hear is  
Never  
Tell me then  
If there's a heaven  
Why can't it be there inside you?  
The secret is out  
And times running short  
To stay or to go  
The choice is still yours  
All that I hear  
Is what could have been  
It's now up to you  
To change how you feel
