

# Not Around

## David Correy

When you're not around  
I can't explain what I'm feeling  
Cause I'm feeling  
Feeling alone  
Alone  
When you're not around  
I don't wanna wanna face it  
I can't take it of being alone  
Alone  
When you're not around (ooooh)  
I know I need ya  
And I've been thinking  
I've been dreaming  
Dreaming of love  
Your love  
When you're not around (ooooh)  
I know I'm down for the count  
I've been thinking (I've been thinking)  
I've been feenin' searching for love  
Your love  
When you're not around  
When you're not around  
Life gets so lonely (lonely)  
Like I've been missing  
My own mission not being with you  
I know  
When you're not around  
I know I'm damaged (I know I know)  
And I can't manage  
I'll be dying fighing alone  
Alone  
When you're not around (ooooh)  
I know I need ya (I know I know)  
And I've been thinking  
I've been dreaming  
Dreaming of love  
Your love  
When you're not around  
I know that I'm wasting away

The best days of my life away  
You're my other half and I know  
    I need ya  
    When you're not around  
    I know I need ya heart  
    I've been dreaming  
    I've been dreaming  
    When you're not around  
    I've been dreaming  
    I've been thinking  
        Of you
