Overdone

Ludo

I'm a snake in the grass
Watch your feet,
Let me pass.
I'm tight and afraid
I can't eat,
I can't change.
And all the little mice
Are dancing in sunlight
While I shuffle past,
Just a snake in the grass
And, oh, I'm overcome
And, oh, now I am new.
[CHORUS]Oh oh, I am in love again
Oh oh, I am consumed by it
Oh oh, I am in love again
Under-drugged and overdone.
I'm a snake on a shelf
Just a pile of myself

While the mice in the walls
Find joy in it all.
But I'm bad, bred to suffer
In the dark,
In this room.
I'll explode, I'll escape
Get me out,
Make it soon.
[REPEAT CHORUS]If there's a god that could save me
I'd ask that he open the skies and do it now
But it's just a chemical,
I'm not a snake
I'm just falling apart again
Look at me, I'm sobbing like a child.
[REPEAT CHORUS]Oh oh, I am in love
Oh oh...
