

# Animal

## Mandy Santos

Here we go!  
I can see the way you look at me  
I can feel it underneath my skin  
I can be the prey you wanna have

..

(Chorus)

I can feel you, I can feel you  
Don't know what to do  
I can see you, I can see you,  
Don't know what to do  
Don't know what to do

You raise me up  
You bring me down  
You â€¦  
Like an animal  
You raise me up  
You bring me down  
Like an animal

I can feel you..  
Like an animal  
You can try to surrender  
â€¦
