

Billy S.

Skye Sweetnam

Wake up tired, Monday mornings suck
It's way too early to catch a bus
Why conform without a fuss?
Daddy, Daddy, no, I don't wanna go to school, woo
I don't need to read Billy Shakespeare
Meet Juliet or Malvolio
Feel for once what it's like to rebel now
I wanna breakout, let's go
Teachers treat us all like clones
"Sit up straight, take of your head phones"
I don't blame them, they get paid
Money, money, woo, lotsa, money, money, woo
I don't need to read Billy Shakespear
Meet Juliet or Malvolio
Feel for once what it's like to rebel now
I wanna breakout, let's go
Get out, get out, get out, get out, woo
Get out, get out, get out, get out
To skip or not to skip
That is the question

Get out

Get out

Get out

I don't need to read Billy Shakespeare
Meet Juliet or Malvolio
Feel for once what it's like to rebel now
I wanna breakout, let's go
I don't need to read Billy Shakespeare
Meet Juliet or Malvolio
Feel for once what it's like to rebel now
I wanna breakout, let's go
Get out, get out, get out, get out, woo
Get out, get out, get out, get out, woo
Feel for once what its like to rehell now
I wanna breakout, let's go

Get out

Get out

Get out
