Sooner Or Later

Michelle Branch

Lipstick, pretty face, and maybe you'll notice
Something different 'bout me, different 'bout me
Yeah, you talk, talk all you want, you pour your heart out
But you never do see, you never do see me
Hey, can't wait around forever for you
Sooner or later, you're gonna come around
And you'll be sorry, when you figure out
That I was always everything that you needed
Sooner or later, you're gonna wish you had me
Yeah, you're gonna wish you had me
Well, she don't do nothin' for you
But mess you up, yeah, she messes you up
I'm your shoulder, I'm the quick drive over
Tryin' to fix your stuff, well, I give up
Ooh, you never see me standing right in front of you
Sooner or later, you're gonna come around
And you'll be sorry, when you figure out
That I was always everything that you needed
Sooner or later, you're gonna wish you had me
Oh, you're gonna wish me back so bad, so bad
Oh, but it's a little too late for that
Lipstick, pretty face, and maybe you'll notice
Something different 'bout me, different 'bout me
Sooner or later, you're gonna come around
And you'll be sorry, when you figure out
That I was always everything that you needed
Sooner or later, oh
Sooner or later you're, gonna come around
And you'll be sorry, when you figure out
That I was always everything that you needed
Sooner or later, you're gonna wish you had me
(Sooner or later)
Oh, you're gonna wish you had me
(Sooner or later)
Oh, you're gonna wish you had me
(Sooner or later)
Oh, you're gonna wish you had me
(Sooner or later)
Oh, you're gonna wish you had me
