

Crying For You

Campbell The Band

My heart is crying, baby!
My heart is crying for you! She says she had enough of arguing,
She says she was fed up with me again,
But I didn't listen, and now she's gone missing,
Gone away!
I can't believe it's even been this many days,
You're walking out on me this way!
She's gonna miss me,
I know I'm not the only one,
She's gotta be lonely too! [Chorus:]
My heart is crying for you!
Your heart is crying for me!
So why don't we pretend
This does not have to mend,
Cause we're not where we wanna be.
My heart is crying for you!
Your heart is crying for me!
So what a hell we do?
I'm slipping with your shoes,
And this is not where we wanna be. Maybe I should be a better man,
Pick up the phone and call you, so ..
But can't we agree to disagree, girl?
Cause you need to be right here with me, girl!
Oh, yeah, oh!
So it's been too long,
Cause this is not our home,
And I need my queen,
To come in and reclaim my throne.
Whatever it takes to bring her back to me,
I'll do what it takes to .. back to we. [Chorus:]
My heart is crying for you!
Your heart is crying for me!
So why don't we pretend
This does not have to mend,
Cause we're not where we wanna be.
My heart is crying for you!
Your heart is crying for me!
So what a hell we do?
I'm slipping with your shoes,

And this is not where we wanna be. Whatever it takes to make up, baby girl I'll do!

I'll do, I'll do!

If I have to sing a lullaby every night to you girl

I'll do!

I'll do, I'll do!

Stimulate your bank account,..

I'll do, I'll do!

I'll do all the things you want,

A few things that you don't,

Girl this is your man,

And I'm missing you! [Chorus:]

My heart is crying for you!

Your heart is crying for me!

So why don't we pretend

This does not have to mend,

Cause we're not where we wanna be.

My heart is crying for you!

Your heart is crying for me!

So what a hell we do?

I'm slipping with your shoes,

And this is not where we wanna be. Baby I'm missing you!

I'm missing you!

Baby I'm missing you!

I'm missing you!

I'll do what I have to do

To show that I love you!

Baby I'm missing you!

I'm missing you!

Baby I'm missing you!

I'm missing you!
