Chris Brown

[Verse 1]

I need your body in ways
That you don't understand, but I'm losin' my patience
'Cause we've been goin' over and over again
Girl, I just wanna take you home and get right to it
Know I gotta kiss it, baby
Give it to me, we can take it inside now
You know that I just wanna make love
Want you to scream and shout
And baby, when I'm deep in it now
I'ma slow it down, saying, "Oh, it's deep in me"
I'ma put it in some more, so you moan
We gon' turn all the way up with the lights down
Oh, why is your pussy so damn good to slay?
I'ma put that booty up, baby, when I'm on
You know I'ma go crazy when your legs in the air
You know your panties never gettin' in the way
You know I kinda like it, when you make me work for it[Chorus]
Hey you girl with your tight top, skirt
Get that ass in the bed, I'ma lock the door
Shake that ass like boom shakalaka, boom shakalaka
We don't need nobody watching us
No eyes, but your eyes
Ain't nobody here, but you and me
Licking your private parts
And I know you love your privacy[Verse 2]
You don't need a shower, you already wet
Know that pussy probably, tellin' me I ain't ready yet
I said, "Fuck it," face my fears, baby
When I lick it, I put tears in it
Put my face in it, eat it like a dinner date
You know I love foreplay, 12 play, everythin'
Know my lovin' don't change
I don't really give a fuck what a hater say
'Cause you fine, baby
And it's alright 'cause you're all mine, baby
Girl, I'ma let you get crazy[Chorus]
Hey you girl with your tight top, skirt
Get that ass in the bed, I'ma lock the door

Shake that ass like boom shakalaka, boom shakalaka
We don't need nobody watching us
No eyes, but your eyes
Ain't nobody here, but you and me
Licking your private parts
And I know you love your privacy[Verse 3]
...same night
Work on your titties, then you suckin' on my dick with ice
Oh my god, oh my god, I bet she's been bright
Ain't gotta pay for that pussy, my dick can change your life
I'm talkin' missionary, wanna see it in your face
Get that ass up in the air, I'm lovin' how that pussy taste
Damn, on your side I'ma try, stop runnin' from this dick
I ain't 'bout to let you slide this time[Chorus]
Hey you girl with your tight top, skirt
Get that ass in the bed, I'ma lock the door
Shake that ass like boom shakalaka, boom shakalaka
We don't need nobody watching us
No eyes, but your eyes
Ain't nobody here, but you and me
Licking your private parts
And I know you love your privacy
