

# Extremely Rotten Flesh

## Grave

Bodies rotting  
faces dark  
sent in forever fear  
all your flesh will rotRotten corpse,  
dead in cruelty and pain  
to end up in this special way  
Extremely rotten fleshTrapped in a wooden case  
slaughtered at birth you died  
the fault of a deformed face  
you have to dieBodies rotting  
faces dark  
sent in forever fear  
all your flesh will rotRotten corpse,  
dead in cruelty and pain  
to end up in this special way  
Extremely rotten flesh
