

I Wanna Be Your Man

Endeverafter

I wanna be your lover baby, I wanna Be your man.
I don't want no other baby, I want you again and again.
And I've waited all night long and I know what I wanna do,
I just wanna make love to you, Come on!

When I see you under covers baby, I wanna hold your hand
And I'd kill out of free will if I were to catch you with another man
And I've waited all night long now I know what I wanna say,
I wanna say Hey! (hey!) Hey! (Hey!) Hey! (hey!)
Come on baby give it to me!

I wanna be your man
(I wanna be your man)
I wanna Be your man
(I wanna be your man)
Come get me while you c-c-c-c-c-c-can!
Yeah, Whoa yeah!

Lemme take you headfirst into a mistake you never thought you'd ever make, Like a crash
You better pray you live to see another day after the way I'm gonna punish your ass
And I've waited all night long, and now I know what I wanna say
I wanna Say Hey! (hey!) Hey! (hey!) Hey! (Hey!)
Everybody make a mistake!

I wanna be your man
(I wanna be your man)
I wanna Be your man
(I wanna be your man)
Come get me while you c-c-c-c-c-c-can!
Yeah, Whoa yeah!

(Solo)

I wanna be your man
(I wanna be your man)
I wanna Be your man
(I wanna be your man)
Come get me while you c-c-c-c-c-c-can!
Yeah, Whoa yeah!

I wanna be your man
(I wanna be your man)
I wanna be your man
Yeah, whoa yeah!
