

Too Much To Ask

Niall Horan

Waiting here for someone
Only yesterday we were on the run
You smile back at me and your face lit up the sun
Now I'm waiting here for someone
No love until you feel this rough
Why's it only you I'm thinking of
The shadows dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight
Tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet
It's all I'm asking
Is it too much to ask?
Is it too much to ask?
Someone pulled in outside
The lights come on and down the drive
I forget you're not here when I close my eyes
Do you still think of me sometimes?
No love, watch the sun coming up
Don't wanna feel fucked up without you, love
My shadows dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight
Tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet
It's all I'm asking
Is it too much to ask?
My shadows dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight
Tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet
My shadows dancing
Without you for the first time
My heart is hoping
You'll walk right in tonight

Tell me there are things that you regret
'Cause if I'm being honest I ain't over you yet

It's all I'm asking
Is it too much to ask?

It's all I'm asking
Is it too much to ask?

It's all I'm asking
Is it too much to ask?
