

# Tonight We're Gonna Tear Down the Walls

[Randy Travis](#)

Tonight we're gonna tear down the walls  
We're gonna laugh and drink and dance and have a ball  
The good times ain't over after all  
And tonight we're gonna tear down the walls Well it seems we let the hard times come between us  
Like a wall around our hearts we couldn't see  
Hard luck and troubles came rainin' down upon us  
And they almost got the best of you and me Once we loved to stay at home and make love  
Now work is all we ever seem to do  
We've been spendin' too much time makin' money  
And I think it's time we had a laugh or two And tonight we're gonna tear down the walls  
We're gonna laugh and drink and dance and have a ball  
The good times ain't over after all  
And tonight we're gonna tear down the walls Well you put on your party clothes and makeup  
And I'll polish that ol' truck until it shines  
Don't worry about a thing 'til Monday mornin'  
Just leave hard luck and trouble far behind And tonight we're gonna tear down the walls  
We're gonna laugh and drink and dance and have a ball  
The good times ain't over after all  
And tonight we're gonna tear down the walls  
The good times ain't over after all  
Tonight we're gonna tear down the walls
