

Isn't She Pretty

The Temptations

Ooh

Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty, pretty

Ooh, isn't she a doll, she's a doll, now

Uh huh, she's so fine, so fine

Gee, I wish she was mine

Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty, pretty

Ooh, isn't she a doll, hey, she's a natural doll, now

She's the kind of girl all of my life, now

I wanted her to be my wife

Because

She's got it, without a doubt

She really knocks me out

I can't do without her love

Ooh

Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty, pretty

Ooh, isn't she a doll? Hey, she's a natural doll, now

Oh do you know, you're a pretty little thing?

I really want to be your man

No, no, no, do you know why?

Why?

You ain't got just what it takes

Ooh

Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty, pretty

Ooh, isn't she a doll, hey, she's a natural doll, now

Every time she come near me, what do you say?

My words just-a disappear

Here she comes now

Jus' the walk

Listen to her sweet, sweet talk

I can't do without her love

Ooh

Ooh, isn't she pretty, ah pretty, ah pretty, ah pretty, pretty

Ooh, isn't she a doll, she's a doll, now

She so fine, so fine, so fine

I, I wish she were mine, all mine

She so fine, so fine, so fine

I, I wish she were mine, all mine

She so fine, so fine, so fine
