

Leather Boyz With Electric Toyz

Pretty Boy Floyd

We're black on black.
We're a sex attack.
We're the bullet boys.
We're rocking with the sonic blast. Here we come a rocking like a wall of sound.
Line 'em up Stack 'em up and knock 'em down
Little girls all in a row. Screaming cock rock shock pop
They're dressed like some kind of horror show.
Screaming cock rock. Shock pop. Hey lets go. We're leather boyz with electric toyz.
We're making noise tonight.
We're leather boyz with electric toyz.
We're making noise tonight. We're leather boyz with electric toyz.
We're making noise tonight.
A little louder now. With every night screaming.
It's out of control. It's like a rock house. Whore house. Hey let's go.
We'll strut our stuff every night and day.
Like a high speed, stampede, get away. Little girls all in a row.
Screaming cock rock. Shock pop.
They're dressed like some kind of horror show.
Screaming cock rock. Shock rock. Hey lets go. We're leather boyz with electric toyz.
We're making noise tonight. We're leather boyz with electric toyz.
We're making noise tonight. We're leather boyz with electric toyz. Don't you know we're leather? Black leather.
We're leather boyz. And we'll scream together. AHHH.
We're leather boyz. Whoa. Oh. Oh. We're leather boyz. And we'll rock. We'll rock forever. and we're rockin'.
Shockin'. rockin'. Shockin'. Leather boyz. We're leather boyz with electric toyz.
We're making noise tonight.
We're leather boyz with electric toyz.
We're making noise tonight.
We're leather boyz with electric toyz.
We're making noise tonight.
We're leather boyz with electric toyz.
We're making noise tonight.
We're making noise. Making noise.
Make some noise.
Tonite. Tonite. Tonite.
Well all fucking right. Yeah.
