Wicked Mystic (Vocals Randy Rampage)

Annihilator

All throughout the centuries, existing year to year
Lives on this powerful entity to thrive on pain and fear
A derelict of heavenly gods, a feeling from within
Weakened minds are perfect prey, corrosion will beginSome won't fight, the battle is forsaken
Show no might, the dark side has awakenedEven in the holiest the curious can be found
Their wonderment is dangerous as virtue is but bound
Moral codes, broken
What's the sin that lurks within, the burning emotion of hatredSome won't fight, the battle is forsaken
Show no might, the dark side has awakenedWicked mysticHatred lurks in all of us, no one is exempt
It's proof of evil in our souls, is this the tempter's intent
A derelict of heavenly gods, a feeling from within
Weak minds are perfect prey for corrosion to beginSome won't fight, the battle is forsaken
Show no might, the dark side has awakenedWicked mystic
Wicked mystic, mystic
