

# Hold Your Head Up

## Argent

And if its bad, don't let it get you down you can take it -  
And if it hurts, don't let them see you cry you can take it -

Hold your head up . Woman -  
Hold your head up, Woman -  
Hold your head up, Woman, Hold your head high -  
Hold your head up, Woman -  
Hold your head up, Woman -  
Hold your head up, Woman, Hold your head high -

And if they stare just let them burn your eyes on your moving -  
And if they shout, don't let it change a thing that you're doing -

Hold your head up - Woman  
Hold your head up, Woman -  
Hold your head up, Woman - Hold your head high -
