

No One Like You

BarlowGirl

You are more beautiful
Than anyone ever
Everyday You're the same
You never change, no never You are more beautiful
Than anyone ever
Everyday You're the same
You never change, no never And how can I ever deny
The love of my Savior
You are to me
Everything all I need forever How could you be so good? There is no one like You
There has never ever been anyone like You Everywhere You are there
Earth or air surrounding
I'm not alone the heavens sing along My God, You're so astounding
How could You be so good to me?
Eternally I believe that How could You be so good to me?
How could You be so good to me?
We're not alone so sing along
We're not alone so sing along
Sing along, sing along
