

Kicking and Screaming

MxPx

Lie to me just one more time and maybe, I'll believe you,
Promise me the world and what you're saying now is true,
You can't hold me down. Kicking and screaming like a child,
I'm out of control I'm running wild,
Kicking and screaming and I want more,
I've done things you can't ignore,
So drag me around swing me out the door. Stab me in the back I've grown accustomed to the feeling,
Time is ticking slowly, I feel older, but I'm dealing
You can't drown me out. Kicking and screaming like a child,
I'm out of control I'm running wild,
Kicking and screaming and I want more,
I've done things you can't ignore,
So drag me around swing me out the door,
Kicking and screaming. Please don't marry me,
Until you're sure I'm really dead,
And don't complain to me,
'Cause you won't get my sympathy. Kicking and screaming like a child,
I'm out of control I'm running wild,
Kicking and screaming and I want more,
I've done things you can't ignore,
So drag me around swing me out the door. Kicking and screaming like a child,
I'm out of control I'm running wild,
Kicking and screaming and I want more,
I've done things you can't ignore,
So drag me around swing me out the door,
Kicking and Screaming.
