

# We Global (feat. Trey Songz, Fat Joe, Ray J)

## DJ Khaled

I would usually scream all over this intro  
But I'mma let my friends tell you  
We global, we global now, we made it We done been around the world, seen a lot girls, girls  
It started off local, now we global  
And baby we da best, we da best  
We da best, we da best See we do it for the hood  
Make it understood, we bought that paper and we global  
And baby we da best, we da best  
We da best, we da best, we da best Blast through, when I come through  
All the pretty women wanna know what it do  
Make moves, I break rules  
And baby when I leave I want your friend to come too We rich nigga, money make the playa haters sit  
Go figure, straight go getta  
And when I tell you we da best, it's no lie, we live, it's televised  
And if you feel me, put your hands in the sky  
Let's make a oath that we never be broke again We done been around the world, seen a lot girls, girls  
It started off local, now we global  
And baby we da best, we da best  
We da best, we da best See we do it for the hood  
Make it understood, we bought that paper and we global  
And baby we da best, we da best  
We da best, we da best, we da best I'm second to none, they're descending upon  
Tattoo on my arm, Tony Montana the one  
We da best, yes we nigga, just got that new yacht to get em sea sicka  
Yeah yeah, i love the way she do it  
Mask on her face, first she chop it then screw it Niggas coming ready raw 'cause I speaking fluids talking money  
That's something that you don't what to do with, I done rock with  
Mary J Blige, my nigga, try petting the recession, yeah some that nigga  
The big boy get the big boy's rush  
The only nigga made 20 mill' fuckin' with Koch We done been around the world, seen a lot girls, girls  
It started off local, now we global  
And baby, we da best, we da best  
We da best, we da best See we do it for the hood  
Make it understood, we bought that paper and we global  
And baby we da best, we da best  
We da best, we da best, we da best I'm so independent, but the radio play 'em  
Fuck 'em all night, and hit the streets in the a.m.  
A milli off top if I video tape 'em  
I seen a lot of girls, from LA to Jamaica Yeah, and all the girls they wanna get freaky with me

Yeah, I'm in the club with a girl Spanish, Japanese  
Ya my nigga DJ Khaled, girls alone and you know we the best  
And we so flawless, It's your boy Ray J getting' that money We done been around the world, seen a lot girls,  
girls  
It started off local, now we global  
And baby we da best, we da best  
We da best, we da best See we do it for the hood  
Make it understood, we bought that paper and we global  
And baby we da best, we da best  
We da best, we da best, we da best
