## A Perfect Circle

Metaphor for a missing moment  
Pull me into your perfect circleOne womb  
One shame  
One resolveLiberate this will  
To release us allGotta cut away, clear away  
Slip away and sever this  
Umbilical residue that's  
Keeping me from killing youAnd from pulling you down with me in here  
I can almost hear you screamOne more medicated peaceful moment  
Give me  
One more medicated peaceful momentAnd I don't wanna feel this overwhelming  
Hostility  
I don't wanna feel this overwhelming  
HostilityWe gotta cut away, clear away  
Slip away and sever this  
Umbilical residueGotta cut away, clear away  
Slip away and sever this  
Umbilical residue that's  
Keeping me from killing youSlip away and sever this  
Keeping me from killing you
