Keep On Movin

Deymare

I woke up today with this feeling
That better things are coming my way
And if the sunshine has a meaning
Telling me not to let things get in my wayWhen the rainy days are dying
Gotta keep on, keep on trying
All the bees and birds are flying
Never let go, gotta hold on in
Nonstop 'til the break of dawning
Keep on moving don't stop rockingGet on up when you're down
Baby, take a good look around
I know it's not much but it's okay
Keep on movin' on anywayFeels like I should be screaming
Trying to get it through to my friends
Sometimes it feels that life has no meaning
But I know things will be alright in the endWhen the rainy days are dying
Gotta keep on, keep on trying
All the bees and birds are flying
Never let go, gotta hold on in
Non stop 'til the break of dawning
Keep on moving don't stop rockingGet on up when you're down
Baby, take a good look around
I know it's not much but it's okay
Keep on movin' on anywayWhen the rainy days are dying
Gotta keep on, keep on trying
All the bees and birds are flying
Never let go, gotta hold on in
Non-stop 'til the break of dawning
Keep on moving don't stop rockingGet on up when you're down
Baby, take a good look around
I know it's not much but it's okay
Keep on moving on anywayGet on up when you're down
Baby, take a good look around
I know it's not much but it's okay
Keep on moving on anywayGet on up when you're down
Baby, take a good look around
I know it's not much but it's okay
Keep on moving on anywayGet on up when you're down
Baby, take a good look around
I know it's not much but it's okay

Keep on moving on anywayKeep on moving
Keep on moving
Keep on moving
