Skin & Bones

Liz Longley

Go tell it on the mountain
go sing it to the sky
ain't no one gonna listen here, ain't no one on your side
no you don't get no mercy, your lies are cheap and cold
I wonder if you have a heart
or if you're all just skin and bonesthis whole town knows you burn every bridge you cross
oh we never thought we'd see the day you'd turn your back on us
well you got what you wanted
was it worth the cost?
the fire is a burning now, look at all you've lostgo on get on your way now
take any outbound road
and if you do look back one day
don't ever call this home
ain't no one here your neighbor,
ain't no one here you friend
ain't no one here wanna see your face around these parts againthis whole town knows you burn every bridge you cross
oh we never thought we'd see the day you'd turn your back on us
well you got what you wanted
was it worth the cost?
the fire is a burning now, look at all you've lostoh, oh, oh, oh, oh, oh, oh
whoa, whoathis whole town knows you burn every bridge you cross
oh we never thought we'd see the day you'd turn your back on us
well you got what you wanted
was it worth the cost?
the fire is a burning now, look at all you've lost
