

# Alive

## Native Bells

What if I told you that I think you're perfect?  
Beautiful sky in your eyes, it's so worth it  
I know  
You make me feel alive  
What if I told you that I'm in forever?  
Nothing to hide, yeah, I'll go wherever  
You would go  
You make me feel alive  
And I'll be hanging on  
Every word you say to me  
Hanging on a feeling that I get  
'Cause you make me  
Laugh a little louder  
Love a little harder  
And I feel alive when I'm with you  
Every time it's something new  
Never knew what love could feel like  
Until I walked away the first time  
And I feel alive when I'm with you  
Deep inside, it's something true  
You're the only reason I fight  
You're the best thing in my life  
What if I told you that I'd never hurt you?  
Always be there for you to hold on to  
I know  
You make me feel alive  
And every single second's  
A lifetime memory  
I'll be holding on each moment  
'Cause you make me  
Laugh a little louder  
Love a little harder  
And I feel alive when I'm with you  
Every time it's something new  
Never knew what love could feel like  
Until I walked away the first time  
And I feel alive when I'm with you  
Deep inside, it's something true  
You're the only reason I fight

You're the best thing in my life  
And I feel alive when I'm with you  
When I'm with you  
And I feel alive when I'm with you  
Every time it's something new  
Never knew what love could feel like  
Until I walked away the first time  
And I feel alive when I'm with you  
Deep inside, it's something true  
You're the only reason I fight  
You're the best thing in my life
