

Why?

Mis-teeq

We've always been so close together
Doing things that only best friends do
Always there for one another
Through the bad times and the good
The other night you held me close
Need to know, have we just cross the line?
This other side feels so right
Won't you tell me why
Why? Why?
Why do friends turn? Lovers take so long
And when they come around
They finally find a love forever strong
Why? Why?
Why were you so near and yet so far
How could I be so blind
When all the time, I was in your heart
Here we go, here we go
Move to the beat and go with the flow
Come, come, gimme, gimme, come gimme more
Move to the beat pump up the tempo
For so long, I've been searching for a love I call my own
Now I know I was only waiting for the face I've always known
I believe what Heaven is just like this every time we kiss
Deep inside feel so high, won't you tell me why?

Why? Why?
Why do friends turn? Lovers take so long
And when they come around
They finally find a love forever strong
Why? Why?

Why were you so near and yet so far
How could I be so blind
When all the time, I was in your heart
As we think with integrity

V V V V I I P P P

We're young, fresh, western celebrities
Mna, Mna move your b-b-body
Now that I stop and think about it
How did I ever live without

Your warm and tender touch
I needed it so much
Why? Why?
Why do friends turn? Lovers take so long
And when they come around
They finally find a love forever strong
Why? Why?
Why were you so near and yet so far
How could I be so blind
When all the time, I was in your heart
