Pete Seeger

Lost my partner, what'll I do

Lost my partner, what'll I do

Lost my partner, what'll I do

Skip to my Lou my darlingGone again, skip to my Lou

Skip to my Lou my darlingI'll get another one, prettier 'n new

Skip to my Lou my darlingLittle red wagon painted blue

Skip to my Lou my darlingFlies in the buttermilk, two by two

Skip to my Lou my darlingFlies in the sugar bowl, shou shou shou

Skip to my Lou my darlingLots more verses but there's a lotta do
