

Canvas

Aulos

Slow hard, dog, wait, down love, black canvas
 Revolve within, you understand
Fragile earth where cracks in the temperature
 Keep it cool to give, you understand
 Keep it cool to give, you understand
Slow hard, dog, wait, down love, black canvas
 Revolve within, you understand
Fragile earth where cracks in the temperature
 Keep it cool to give, you understand
 'Cause I just can't find the strength
 To pull you up and keep you taut
 No I just can't find the strength
 To hold you up and keep you taut

Hijacked, lost track, light fades another day left
 Long shadows lure you in
 The more you look the less you see
So close your eyes and start to breathe
Oh, you said yourself this wasn't easy
Oh, you said yourself this wasn't easy
 Oh, I just can't find the strength
 To pull you up and keep you taut
 No, I just can't find the strength
 To hold you up and keep you taut
 'Cause I just can't find the strength
 Oh, to keep you taut
