Sound Proof Room

Elle Varner

I try to be strong
Try to turn down the desire Iâ€™ve been hiding so long
I donâ€™t wanna play
The innocent game
Like I donâ€™t have animal ways,
Just like you I wanna do something we ainâ€™t suppose to
Itâ€™s hard to resist
But most of my day is spent dreaming of your, kiss
Can you imagine what would happen if we give in to this magnetic attraction?
Baby you should know that if I ever get you alone

Me and you, me and you, boy weâ€™re gonna need a soundproof room
Me and you, me and you, boy weâ€™re gonna need a soundproof room,
Ooh ooh (Soundproof room) ooh ooh
Boy weâ€™re gonna need a soundproof room

Iâ€™m surely a lady
But Iâ€™m not a stranger to badly behaving, sometimes
Crossing the line
Doing what I know is wrong 'cause it feels so right
Sneaking away for something extracurricular on a lunch break
With that being said, Iâ€™m ready to try whatâ€™s been playing inside of my head
Want you to demonstrate your physical advantage, am I sounding like a savage?
Iâ€™m not a quitter, I wonâ€™t give up till I get it, Baby I just gotta have it

Me and you, me and you, boy weâ€™re gonna need a soundproof room
Me and you, me and you, boy weâ€™re gonna need a soundproof room,
Ooh ooh (Soundproof room) ooh
Boy weâ€™re gonna need a soundproof room

I never usually
Say such crazy things
I canâ€™t control myself
What have you done to me?
Or more importantly
What am I gonna do to you?

Me and you, me and you (If I get you in a soundproof room)
Me and you, me and you (Woo, If I get in you in a soundproof room)
(Hey, yeah, oh I wanna get you in a soundproof room

Oh, I gonna get you in a soundproof
Whoa, Iâ€™m get you in a soundproof room)
