

# Love, Love, Love

## Donny Hathaway

Love love love why'd you take so long to come to me aww baby  
Love love yo love tell me where you hiding from me  
All the time  
Each time I try to find someone to take your place  
It was all in vain, no their lips were never quite the same aww baby  
When I was kiss someone new deep inside I was missing you[Chorus:]  
Aww baby you make me fall in love with you  
Now I don't know just what I'm gonna do  
Aww honey I looked out into empty space and all I saw was your  
Sweet faceLove love love you can't imagine what you did to me aww baby  
And love love your love every time you smile it goes  
Through me all the time  
Day by day I'm falling more in love with you  
And that's no lie, cross my heart and honey I hope to die  
'cause I'm not trying to mislead ya believe me girl I really need ya[Chorus: x2]
