

# Ready To Be

## Justin Currie

Praise heaven babe, it's still alive  
A good man's just a great disguise  
Look down deep in his eyes you'll see  
And your friends who say I'm bad  
Why don't you tell them all you've been had?  
Why don't you tell them what I am is what they see?  
'Cause I'm ready to be,  
The devil they've been seeing in meLook closer it's still alright  
That ain't a twinkle that you see at night  
Ask me again if I think they're right, you'll see  
'Cause I'm ready to be,  
The devil they've been seeing in me  
Whatever they've been seeing, I know him  
He lives between the moments,  
When I'm an angel in silence  
He's climbing over the railway fence  
Trying to dispose of the evidence  
Trying to compose it so it all makes sense  
Trying to get ready to be, ready to be
