

The Masterplan

Oasis

Take the time to make some sense of what you want to say
And cast your words away upon the waves
Sail them home with acquiesce on a ship of hope today
And as they land upon the shore tell them not to fear no more
Say it loud and sing it proud today And then dance if you wanna dance
Please brother take a chance
You know they're gonna go
Which way they wanna go All we know is that we don't know
How it's gonna be, please brother let it be
Life on the other hand, won't let us understand
We're all part of the masterplan Say it loud and sing it proud today
I'm not saying right is wrong, it's up to us to make
The best of all the things that come our way
'Cause everything that's been has past The answer's in the looking glass
There's four and twenty million doors
On life's endless corridor
Say it loud and sing it proud and today Will dance if they wanna dance
Please brother take a chance
You know they're gonna go
Which way they wanna go All we know is that we don't know
How it's gonna be, please brother let it be
Life on the other hand won't let you understand
We're all part of the masterplan
