The Masterplan

Oasis

Take the time to make some sense of what you want to say And cast your words away upon the waves Sail them home with acquiesce on a ship of hope today And as they land upon the shore tell them not to fear no more Say it loud and sing it proud todayAnd then dance if you wanna dance Please brother take a chance You know they're gonna go Which way they wanna goAll we know is that we don't know How it's gonna be, please brother let it be Life on the other hand, won't let us understand We're all part of the masterplanSay it loud and sing it proud today I'm not saying right is wrong, it's up to us to make The best of all the things that come our way 'Cause everything that's been has pastThe answer's in the looking glass There's four and twenty million doors On life's endless corridor Say it loud and sing it proud and todayWill dance if they wanna dance Please brother take a chance You know they're gonna go Which way they wanna goAll we know is that we don't know How it's gonna be, please brother let it be Life on the other hand won't let you understand We're all part of the masterplan
