This Magic Moment

Misfits

This magic moment
So different and so new
Was like any other
Until I kissed youAnd then it happened
It took me by surprise
I knew that you felt it too
By the look in your eyesSweeter than wine
Softer than the summer night
Everything I want I have
Whenever I hold you tightThis magic moment
While you lips are close to mine
Will last forever
Forever 'til the end of timeOh......
Oh......
Mm.....Sweeter than wine
Softer than the summer night

Mm.....Sweeter than wine
Softer than the summer night
Everything I want I have
Whenever I hold you tightThis magic moment
While your lips are close to mine
Will last forever
Forever 'til the end of timeOh......
Magic moment.....
Magic moment.....
