

# House Of Cards

Robert Plant

Oh the rain is falling  
And the wild wind roars  
It'll shake your windows  
And rattle your doors  
Oh blow down this house of cards  
Blow down this house of cards And they're washing the streets (blow blow down)  
With the blood of your kind (blow blow down)  
Ah just look over your shoulder (blow blow down)  
They are right behind (blow blow down)  
Oh blow down this house of cards  
Blow down this house of cards And the birds are wheeling  
Up above your head  
And your days are numbered  
And you're as good as dead  
This is a very fine house  
Of great renown  
But it's cracked and it's shaking  
It goes tumbling, tumbling, tumbling down Blow blow down this house of cards  
Blow down this house of cards  
Blow down this house of cards  
Oh blow down this house of cards
