If I Didn't Try (Oblivion Tour) [Live]

[Utopia](#)

If I didn't try, how would I know, how would I know
If I didn't try, how would I know, how would I know
Sometimes I think I must be crazy for doing this
(think I'm never gonna win)
But how would I know it's a losing cause
If I didn't try, if I didn't try
If I didn't try, if I didn't tryIf I didn't care, nothing would hurt, nothing would hurt
If I didn't care, hope for the best, expect the worst
Sometimes it feels like my whole life has been leading to this
(wish that I could hide somewhere)
But how would I know how it feels to live
If I didn't care, if I didn't care
If I didn't care, if I didn't careSometimes I think I must be crazy for doing this
(you can never run away)
But how would I know it's a losing cause
If I didn't try, if I didn't try
If I didn't try, if I didn't try
