

# Hemorrhage (In My Hands) (2000)

## Fuel

Memories are just where you laid them  
Drag the waters till the depths give up their dead  
What did you expect to find  
Was there something you left behind  
Don't you remember  
Anything I said when I said Don't fall away  
And leave me to myself  
Don't fall away  
And leave love bleeding in my hands  
In my hands again  
And leave love bleeding in my hands  
In my hands  
Love lies bleeding Hold me now I feel contagious  
Am I the only place that you've left to go  
She cries her life is like  
Some movie black and white  
Dead actors faking lines  
Over and over and over again she cries Don't fall away  
And leave me to myself  
Don't fall away  
And leave love bleeding in my hands  
In my hands again  
And leave love bleeding in my hands  
In my hands  
Love lies bleeding And I want you  
But you turned away  
You don't remember  
But I do  
You never even tried Don't fall away  
And leave me to myself  
Don't fall away  
And leave love bleeding in my hands  
In my hands again  
Leave love bleeding in my hands  
In my hands again  
Leave love bleeding in my hands  
In my hands again, oh
