Keep On Movin'

Alexia

Hey Alexia, what a party you are having tonight
How did you organize such a thing?Party, party
Party, party
Party, partyEvery time is the same situation
Working hard every day of my life
I just can't wait to reach to my salvation
So that in the night everything will be fineParty, party
Party, partyI gotta find someone to love
'Cause I have waited for so long
I never felt this way before
So baby, stand by meKeep on movin'
Keep on dancing, dancing to the beat
Keep on jumping, yeah, I wanna party tonight
I wanna party tonightParty, party
Party, partyTake my hand, bring me out, if you want me
Yes, I know, baby, you've got the style
Wanna play the game, I don't want to get lonely
I feel the vibes, maybe it's love at first sightI gotta find someone to love
'Cause I have waited for so long
I never felt this way before
So baby, stand by meKeep on movin'
Keep on dancing, dancing to the beat
Keep on jumping, yeah, I wanna party tonight
I wanna party tonightHey Alexia, it's a wonderful party
Having a really good time, tonight
It's a really really great time, you know?
Yeah, I've seen a lot of people here dancing
Oh Alexia, you're having just some good fun here
You are the bomb, so goodI gotta find someone to love
'Cause I have waited for so long
I never felt this way before
So baby, stand by meKeep on movin'
Keep on dancing, dancing to the beat
Keep on jumping, yeah, I wanna party tonight
I wanna party tonightParty
What a party
