The Alvin Twist

The Chipmunks

Come on, Simon
Do the Alvin Twist
(Delighted)Come on, Theodore
How can you resist
(Hee hee hee, I can't)You gotta twist way up
You gotta twist way down
You gotta jump
Turn and twist around
Everybody, do the Alvin TwistHere we go now
Listen to the beat
Once you got it
Start to move your feetYou gotta move your back
You gotta move your knee
Come on, relax, do the twist with me
Everybody, do the Alvin TwistLean way back, lean way in
Turn and twist til
Your head starts spinningYou look good, you look fine
Just keep a-twisting
Like a honeysuckle vineTwisting everywhere you go
From old Boston to the AlamoIf you wanna be smart
If you wanna be wise
Take up your fun and your exercise
Everybody, do the Alvin TwistLet's goLean way back, lean way in
Turn and twist til
Your head starts spinningYou look good, you look fine
Just keep a-twisting
Like a honeysuckle vineTwisting everywhere you go
From old Boston to the AlamoIf you wanna be smart
If you wanna be wise
Take up your fun and your exercise
Everybody, do the Alvin TwistHere we go
