Money

Matt Morris

Money matters when you're broke, when you're broke
and money fixes for awhile.
If you got money if your wallet you got permission
to enjoy yourself for awhile.But money burns, Money turns the very best into the worst criminal child
money matters, money kills, money makes the world go roundmoney, money ain't the villain
money its greed thats the killer
money, money ain't the villain
money, its greed thats the killerdollar bills buying pills giving thrills in the evening sunset light
middle seat in the back in between a couple hooligans sunset light

dollar bills give em thrills in the back of their best friends ridemoney, money aint the villain
money its greed thats the killer
money, money aint the villain
money, its greed thats the killerpenny quarter nickel and dime

how you make change tell me how you make change withoutmoney money ain't the villain
money its greed thats a killermoney matters when you're broke when you're broke
and money fixes for awhilemoney money ain't the villain
