

# Thank You Mr. K

[Ty Segall](#)

Master, here we go  
Take the keys and let me drive  
Call the garden and let it know it's gonna grow  
To fill up your eyes Taking Mr. K for a ride  
Taking Mr. K for a ride  
A ride  
Woo! Tall man, skinny whips  
Drink the driver, eat the hide  
Dip the diver, boney whips  
Now together we all lie Taking Mr. K for a ride  
Taking Mr. K for a ride  
Taking Mr. K for a ride  
Taking Mr. K for a ride Rider, breeding now  
But inside you don't know how  
Murder, doctor  
Politician is a cow  
Bleeding in my pocket now  
Rip the diver, don't know how  
Let it grow, here we go  
I'll take the keys 'cause  
Don't you know we're Taking Mr. K for a ride  
Taking Mr. K for a ride  
Taking Mr. K for a ride  
Taking Mr. K for a ride  
Ride  
Ride  
Woo!
