Poor Boy, Minor Key

M. Ward; Matt Ward

Poor boy
Head against a pillow
Fast asleep
Poor girl
Head against a window
Lost in a dream

One day they will be as giants
Stronger than the sun
But that day ain't yet come

Wide world
Wide world of sorrow
Won't stand a chance
Wide world
Wide world of sorrow
Won't stand a chance

One day they will be as giants
Stronger than the sun
But that day ain't yet come
