

I Can Talk (French Horn Rebellion Remix)

Two Door Cinema Club

You won't believe what I tell you,
White coats and clever minds will choose
 You get a lot from this
 Loose tongue and arrogance
 It's not appropriate
 Don't think that this is it

Now I can talk, no one gets off
 (I know how you like to)
Now I can talk, no one gets off
 (repeat)

A longer sentence brings no more
Than one that I had said before
 It's hard to compromise
When I see through your eyes
 It's just a common view
 I guess it's lost on you

Now I can talk, no one gets off
 (I know how you like to)
Now I can talk, no one gets off

Now I can talk, no one gets off
 (I know how you like to)
Now I can talk, no one gets off

Now I can talk, no one gets off
 (I know how you like to)
Now I can talk, no one gets off

Now I can talk, no one gets off
 (I know how you like to)
Now I can talk, no one gets off
