

# Irene

## Weaselhead

sheâ€™s a part of me and  
sheâ€™s inside of me and  
sheâ€™s insanity  
Irene

and sheâ€™s upon that hill sheâ€™s  
held against her will and  
sheâ€™ll get out of there  
Irene

tonight, sheâ€™s insanity  
tonight, she shows no vanity  
and when youâ€™re leaving, seething  
Irene  
Irene  
I mean  
donâ€™t be scared

she was all alone her  
husband cut the phone  
her kids were all that she could see

when she hit them we all ran  
we couldnâ€™t believe, but now we can  
we know today she wasnâ€™t herself

tonight, sheâ€™ll get out of here  
tonight, thereâ€™s not a thing to fear  
â€™cause when youâ€™re looking for an answer  
come knock here  
Irene  
Irene  
I mean  
donâ€™t be sad

sheâ€™s a part of me and  
sheâ€™s inside of me and  
sheâ€™s insanity  
Irene
