

# Turpentine

[Brandi Carlile](#)

I watch you grow away from me in photographs  
And memories like spies and salt betrays my eyes again  
I started losing sleep and gaining weight  
And wishing I was was ten again, so I could be your friend again These days we go to waste like wine  
That's turned to turpentine, tell it's six a.m. and I'm all messed up  
I didn't mean to waste your time, so I'll fall back in line  
But I'm warning you, we're growing up I heard you found some pretty words to say  
You found your little game to play and there's no one allowed in  
Then just when we believed we could be great  
Reality it permeates and conquers from within again These days we go to waste like wine  
That's turned to turpentine, tell it's six a.m. and I'm all messed up  
I didn't mean to waste your time, so I'll fall back in line  
But I'm warning you, we're growing up I know we're okay  
I know we're okay These days we go to waste like wine  
That's turned to turpentine, tell it's six a.m. and I'm all messed up  
I didn't mean to waste your time, so I'll fall back in line  
But I'm warning you, we're growing up
