

# Mustang

## Skegss

Leavin for the weekend got supplies and new strings for my mustang  
No surprise if they end up breaking, got my telly ready if I break them  
Lookin at the window as I go, should probably keep my eyes upon the road  
Red lights shown at the job so I get red eyes whenever I'm stoned  
Go out do whatever you wanna  
And while you sit there and chat to the world your gonna  
There's no pressure to bring out some thunder  
Cuz if you don't go then your always then gonna wonder, you wonder you wonder  
Leading empys feedin got our  
ride, our trips screamin screamin kinda fucked  
Still cant tell if I'm dreamin suppapa fuckers I'm hardly breathin suchasah  
Come any closer leaving situations i shouldn't be in  
Go out do whatever you wanna  
And while you sit there and chat to the world your gonna  
There's no pressure to bring out some thunder  
Cuz if you don't go then your always then gonna wonder, you wonder you wonder  
Go out do whatever you wanna  
And while you sit there and chat to the world your gonna  
There's no pressure to bring out some thunder  
Cuz if you don't go then your always then gonna wonder, you wonder you wonder
