All That Is Wrong

Blowsight

was torn to pieces by holding you
So why decide something we cannot keep?
I want more than this
Would you be afraid of me?
I just can't sympathizePlease don't look at me
When I look at you
I don't want to see
that you see me do...All that is wrong in your eyes it's me
All that is wrong with denyin' is you can't be
All that is wrong in my life is you
All that is wrong with denying is you can't seeNow I'm sick and tired of listening
to all new dreams and stuck up wannabes
Cuz I want more than this
I won't be ashamed of me
I'm never gonna sympathizePlease don't look at me
When I look at you
I don't want to see
that you see me do...All that is wrong in your eyes it's me
All that is wrong with denyin' is you can't be
All that is wrong in my life is you
All that is wrong with denying is you can't see
(No, you can't see...)You took a risk: you glorified - I just needed
You took a risk: you glorified.
You took a risk: you glorified - I just needed
You took a risk: you glorified.
I just wanted all that is wrong in your eyes
(You can't see)All that is wrong in your eyes it's me
All that is wrong with denyin' is you can't be
All that is wrong in my life is you
All that is wrong with denying is you can't see
