

Invincible (Theme From The Legend Of Billie Jean)

Pat Benatar

This bloody road remains a mystery
This sudden darkness fills the air
What are we waiting for?
Won't anybody help us?
What are we waiting for? We can't afford to be innocent
Stand up and face the enemy
It's a do or die situation
We will be invincible This shattered dream you cannot justify
We're gonna scream until we're satisfied
What are we running for?
We've got the right to be angry
What are we running for?
When there's no where we can run to anymore We can't afford to be innocent
Stand up and face the enemy
It's a do or die situation
We will be invincible
And with the power of conviction
There is no sacrifice
It's a do or die situation
We will be invincible Won't anybody help us?
What are we running for?
When there's no where, no where we can run to anymore We can't afford to be innocent
Stand up and face the enemy
It's a do or die situation
We will be invincible And with the power of conviction
There is no sacrifice
It's a do or die situation
We will be invincible Yeah, yeah
Yeah, yeah We can't afford to be innocent (yeah)
Stand up and face the enemy (yeah)
It's a do or die situation
We will be invincible We can't afford to be innocent
Stand up and face the enemy
It's a do or die situation
We will be invincible
