

# Take Me To Jamaica (With Toots Hibbert)

## Ziggy Marley

Now the sun is in my eyes  
And you know I'm feeling fine  
Take me, (take me) take me to Jamaica now  
Where the reggae rhythms beat  
Can't help but move my feet  
Take me, (take me) take me to Jamaica now Where we can live in the country  
Eat fruits from the tree  
Everything's irie  
The coconut water is sweet Where the three little birds they sing  
Blue Mountains are happy again  
Take me, (take me) take me to Jamaica now  
Feel the Caribbean breeze  
Stress is calling but I can't be reached  
Take me, (take me) take me to Jamaica now Where we can meet with good people  
Dance all the day  
Singing don't worry  
One love, one heart, one aim, aim, aim  
[ Ziggy Marley Lyrics are found on [www.songlyrics.com](http://www.songlyrics.com) ] Hummingbirds humming by (ooh ooh)  
See the pretty yellow butterfly  
Take me, (take me) take me to Jamaica now  
In the night hear the crickets sing  
Fireflies are jamming  
So take me, (take me) take me to Jamaica now Where we can live in the country  
Eat fruits from the tree  
Everything's irie  
The coconut water is sweet Now the sun is in my eyes  
And you know I'm feeling fine  
Take me, (take me) take me to Jamaica now  
Where the reggae rhythms beat  
I can't help but move my feet  
Take me, (take me) take me to Jamaica now  
Take me, (take me) take me to Jamaica now  
Take me, (take me) take me to Jamaica now  
Take me, (take me) take me to Jamaica now
